

# Multi-purpose boardroom

The Fundy Discovery Aquarium's multi-purpose boardroom serves a variety of functions and can seat up to 28 people comfortably.

Tables can be arranged into many different configurations, or removed altogether to create a larger space for smaller gatherings or parties.

The room also includes a test-kitchen, complete with camera for viewing cooking demonstrations on the 42" monitor.

An overhead projector transmits presentations onto a retractable screen. Tables are equipped with electrical supply and wireless internet is provided.

What makes the room truly unique is the view into the seal habitat! Guided Aquarium tours are also available and adds a unique touch to your meeting schedule. Please call for pricing.
